Helen

I've listened to all the vmails Trish forwarded to me from reporters who called between Friday and today. I'm sure that between me, David and Betsaida, we've gotten back to all except maybe one -- Mark Drajen (sp?) of Bloomberg News 202-624-1964 Protocol is for Betsaida to make the call back to Bloomberg. Perhaps she has already done that.
Thanks. -- Terri

Roy,

Just a heads up that Trish is forwarding you several calls from the media that were left on her voice mail.
